

LAS LUCERAS TINTO ROBLE

Variety

20% Garnacha y 80% Tempranillo

Prepared by

This wine is made from the native varieties tempranillo and garnacha, macerated for 10 days and fermented at medium temperature, with frequent pumping over, to preserve varietal aromas and extract fine tannins. It is then semi-aged for 6 months in American oak barrels.

Tasting

It is a clean wine with an intense and lively color. Balanced and with good structure. It combines the elegance of tempranillo with the fruitiness of garnacha. Its oak ageing gives it elegance without losing any freshness and fruit.
